

THE GAZETTE.

SATURDAY EVENING, JULY 13.

WORTH KNOWING.—One pound of green copperas dissolved in a quart of water and poured down a sink or drain will effectually destroy the foulest smells. For water closets on board ships and steamboats, about hotels and other public places, there is nothing so nice to cleanse as simple green copperas. dissolved under the bed in anything that will hold water will render a hospital or other places for sick free from unpleasant smells. For butchers' stalls, fish markets, slaughter-houses, sinks, and wherever there are offensive putrid gases, dissolve copperas and sprinkle it about, and in a few days the smell will pass away. If a cat, rat, or mouse dies about the house, and sends forth an offensive gas, place some dissolved copperas in an open vessel near the place where the nuisance is, and it will soon purify the atmosphere.

RAILROADS.—The United States have more miles of railroad in operation than any other country in the world, 36,896 miles being its running order. Next come Great Britain and Ireland, with 13,286 miles; France, with 9,982 miles; Prussia, with 5,795 miles; Austria, with 3,831 miles; British India, with 3,379 miles; Italy, with 3,213 miles; Spain, with 3,116 miles; Russia, with 2,775 miles; and Canada, 2,148 miles. There are in Europe 50,117 miles; in America, 50,865 miles; Asia, 3,660 miles; Africa, 375 miles; and Australia, 308 miles.

VALUABLE POTOMAC LAND FOR SALE.—By virtue of a decree of the Circuit Court of Westmoreland county, Va., in the suit of Stuart, trustee, vs. Kinard and others, the undersigned, in said decree appointed, will proceed to sell, on the 22d DAY OF JULY, 1867, at the Court House, in Westmoreland county, Va., at public auction, to the highest bidder, that well-known TRACT OF LAND, in the decree mentioned, called
"LONGWOOD."
This fine estate lies in the county of Westmoreland, immediately on the Potomac, and is bounded on two sides by that river and Popo's Creek. The tract contains upwards of sixteen hundred acres of land, a large portion of the open land being flat and lying on the creek and river. The land is of excellent quality, and adapted to all the staple crops of the country. Navigation is at the door, and of easy access for the shipment of grain, timber, cord-wood and other marketable commodities, and the waters abound in crabs, fish and wild-fowl, in their respective seasons.
There is growing upon the land an extensive body of pine, chestnut, oak and locust timber, which, owing to the increased demand for timber and fuel, add greatly to the value of the estate.
The old mansion was burnt some years ago, but there are comfortable dwelling houses standing near the old site, in good repair.
The prospect from this point is beautiful, commanding a view of the river above and below, and looking out upon the shores of Maryland.
"Longwood" is accessible by steamboat from landings at Curriam and Mattox Creeks, on the Potomac, or Leddstown, on the Rappahannock river.
A further description of this estate is deemed unnecessary, as any person wishing to purchase will, no doubt, visit and examine the premises.
The title to this estate is unquestionable. Private offers will be received until the 10th day of July, and may be addressed to G. W. LEWIS, esq., of Oak Grove, Westmoreland county, Va., or to WM. R. DOZIER, of Alexandria, Va., who is not sold by that day, it will be sold at public auction, at the time and place first mentioned. The terms will be liberal, and made known on the day of sale.
R. H. STUART, Trustee and Comm'r.
New "Long Hill," King George co., Va.
King George co., je 10-60ts
The above Sale Postponed to August 26, 1867. It has been considered advisable to postpone the sale of "Longwood" to the 26th day of August, 1867, in the Westmoreland Court-day, when it will be sold, unless disposed of privately before that day.

GARDEN SEED.
SEEDS! SEEDS!!! SEEDS
We have just received and opened for sale our supply of French GENUINE GARDEN SEEDS, comprising all the best, and many rare varieties, and purchased from the celebrated Growers & Thurnham & Co., of New York, and Landreth & Son, of Philadelphia. To our farmers and gardeners we guarantee satisfaction, as to quality and prices.
We are also engaged in putting up, and will have ready, in a few days, for inspection and sale, a great variety of Flower Seeds, in papers, at five cents each, or fifty cents per dozen, to which we especially invite the attention of the ladies. For a very small sum a beautiful Flower garden can thus be obtained.
Thankful for the liberal patronage which we received from the public in this line of our trade last year, we respectfully solicit a renewal of the same during the present season.
